ADM Policy

BSP Country : all participating countries

Dear travel agent.

In accordance with the IATA Resolution 850m (Passenger Agency Conference Resolutions Manual), please see below the ADM Policy which shall be applied by Luxair Luxembourg Airlines (Luxair or LG), effective January 2017. This ADM Policy supersedes any previous ADM Policy.

All the provisions of the resolutions agreed by the Passenger Agency Conference will apply.

ADM Principle

The objective of the audit process is to ensure that all fare rules and procedures are respected and in case of the contrary, to settle the difference in an adequate and logical way, equal for all distribution channels. Fare audit checks are performed on all 149 - document issuances, refunds, reissue and revalidation transactions, whether they are fare quoted automatically or manually. Violations of reservation procedures apply to all LG flight segments.

ADM Calculation & Minimum ADM Value

In case deviations of the fare rules are found during the audit process, Luxair will systematically generate ADMs reflecting the value of difference between the real applicable fare and the applied fare plus the ADM fee.

Minimum ADM value: No minimum value for Luxair.

ADM Administrative Fees : To cover the audit process costs, a fixed ADM administrative fee of € 25 or equivalent is added to each ADM.

ADM Settlement

Agency Debit Memos will be settled via the BSPLink if sent within nine months after final travel date. Beyond that date payment settlement will be handled directly between the airline and the agency.

ADM Dispute Handling

Luxair Luxembourg Airlines

Agents can dispute proposed ADMs directly via BSP Link with no financial consequences if supported by a valid dispute reason and/or supporting documents. Luxair will endeavor to handle a rejected or disputed ADM in a timely manner, within maximum 60 days. In case Luxair rejects an agent dispute, an explanation for this rejection will be provided to support our position.

ACM Issuance

In case of unjustified ADMs been issued by the airline or when an ADM requires corrections in favor of the agent, an ACM can be issued to that agent covering the amount due.
