From Sylt to Dubai... exceptional moments in sight

A total escape and white sand beaches in Sylt, discovery of the world through Expo Dubai 2020... Luxair and LuxairTours respond to the requests of their passengers and roll out a range of new products specially inspired for their customers.

A total escape only 1h30 away from Luxembourg?

The announcement of the opening of two new German destinations this summer, Rostock and Usedom, located on the Baltic coast, delighted many customers. And for good reason, since the two were a great success during this summer season 2021. In its quest to satisfy even more its customers, Luxair decided to add Sylt to its flight plan for next summer, the largest and the most northerly of the German islands in the North Sea.

Sylt, also called the “German Hamptons” is a German island located near Denmark, on the North Sea. The island perfectly combines white sand beaches and relaxing holidays, away from the tumultuous atmosphere of big European cities. This surprisingly beautiful, 40km long, island has one of the longest uninterrupted stretches of pristine sand in Europe. Sylt is known for its invigorating sea air and its feeling of space.

Every Saturday from 21 May 2022, customers will be able to fly to Sylt and discover its 12 villages, long white sandy beaches, dunes and distinctive houses and enjoy magnificent views of the sparkling sea and endless fields of bright yellow colza flowers. Whether visitors prefer walking or swimming, they will be surprised by the beautiful landscapes but also by the calm of this charming island. This destination will not fail to give people a change of scenery.

Discover the world at Expo Dubai 2020

The first ever World Expo in the Middle East, Africa and South Asia region, Dubai Expo 2020 will open its doors on 1 October 2021 and Luxair is offering its passengers from Luxembourg and the Greater Region the opportunity to discover it, starting on 29 September.

Expo Dubai 2020 is one of the best excuses to visit Dubai this winter. Customers who have already booked or will book their Business Class flight or a flight and hotel package, during the period of the event, will be gifted their multi-day entry pass. What's on the agenda? Discovering a world of innovation and technology, entertainment, arts and culture, food and architecture, thanks to Luxair and LuxairTours!

This ticket will allow unlimited entries to Expo Dubai 2020 for thirty consecutive days, starting from the first day of ticket use, by activating the ticket's QR code at the event's multiple gates. With this ticket, customers will also be able to avoid long queues by booking multiple so-called smart queues (such as the fast lane for participating pavilions and attractions).

Under the theme 'Connecting Minds, Creating Futures', Expo Dubai 2020 is hosting a global exhibition that inspires people by showcasing the best examples of collaboration, innovation and cooperation from around the world. Around 200 nations from around the world, including the Grand Duchy of Luxembourg and its neighbouring countries, will be joining the event.

The Dubai Expo will run from 1 October, 2021 to 31 March, 2022 and will keep its doors open from Saturday to Wednesday from 10:00 am to midnight and from Thursday to Friday from 10:00 am to 2:00 am, allowing visits at anyone's convenience.
