

Code of Conduct for Luxair's Suppliers

This supplier code of conduct (the **Code of Conduct**) describes Luxair's commitment to conduct its business activities with ethics as well as in compliance with applicable laws and regulations. We expect all our suppliers (the **Supplier**) to adhere to the same ethical principles. This Supplier Code of Conduct establishes certain minimum standards which we ask our Suppliers to defend and respect when entering into a contract with Luxair.

By entering into a contract with Luxair, Supplier express its commitment to respect the following principles:

1. Compliance with the law

Supplier shall conduct its business in an ethical and lawful manner and shall therefore comply with all laws and regulations applicable to its business.

2. Anti-bribery and conflict of interest

2.1 Anti-Bribery

Supplier must comply with all applicable anti-bribery and corruption laws and regulations.

Supplier shall not offer, promise, authorize or give anything of value to any person in order to gain any improper business advantage of any kind. In addition, Supplier shall not solicit or accept any form of bribe from any person.

2.2 Conflict of interest

Suppliers must make Luxair aware of any potential conflicts of interest as soon as they are known.

3. Working and employment conditions

3.1 Non-discrimination and fair treatment

Supplier shall not discriminate and shall provide equal employment opportunity to all employees without discrimination irrespective of skin colour, race, nationality, social background, disabilities, sexual orientation, political or religious conviction, sex or age.

Supplier shall ensure that every employee shall be treated with respect and dignity. Mental or physical coercion or punishment, or threat of physical abuse or punishment, any kind of sexual or other harassment and other forms of intimidation are prohibited.

3.2 Working hours and compensation

Supplier must comply with all applicable laws and regulations on working hours and minimum wages.

3.3 Child labour

Supplier is prohibited from using workers under the minimum legal age of employment in the jurisdiction where work is performed. In the event that local law does not specify a minimum working age, the minimum age of employment shall be 15 years of age. Irrespective of the legal minimum age, employers shall ensure that all legal requirements including type of work, remuneration, working conditions and education requirements are met.

3.4 Forced labour

Supplier must not hold an individual or group in slavery or servitude. Employment shall be freely chosen and employees free to leave after reasonable notice is served. Supplier condemns any form of commercial sexual exploitation, and supports all acts of law made to prevent and punish such crimes. In particular, Supplier shall refuse to take part in sexual exploitation of children and report all cases of sexual exploitation of children that comes to its awareness.

3.5 Freedom of association

Suppliers shall grant their employees the right to freedom of association and collective bargaining, as permitted by and in accordance with applicable laws and regulations.

4. Health and safety of employees

Supplier commits to comply with applicable health and safety regulations in order to preserve the health of employees and prevent accidents, injuries and work-related illnesses.

In particular, Suppliers shall establish appropriate organizational structures for the effective management of health and safety risks and put in place measures such as policies, procedures and communication that support accident prevention and minimize health risk exposure for all employees.

5. Environment

Supplier shall ensure compliance with all applicable environmental laws and regulations. Supplier shall also minimise environmental pollution and make continuous improvements in environmental protection.

6. Supply Chain

Supplier will communicate the requirements of this Code of Conduct to all members of their organization and suppliers, and will take reasonable care to ensure these requirements are followed by them.

7. Monitoring Activities

Without unreasonably disrupting the Supplier's work, Luxair may conduct reasonable audits with prior notice to verify the Supplier's compliance with this Code of Conduct.

Any breach of the obligations stipulated in this Code of Conduct by Supplier is considered as a material breach of the contract entered into by and between Luxair and Supplier. In case of a material breach, Luxair reserves the right to terminate its business relationship with Supplier.
